

Scholastic book orders will be sent home on a weekly basis. The book clubs carry a wide range of high interest children's reading materials. Children are always excited to examine the exciting new book orders. This means they are motivated to read. Please buy Scholastic books for your child. The books are inexpensive and at appropriate levels. Additionally, the class earns points for every dollar we spend. The points are used to order free books. The free books are given away as prizes to students at regular intervals throughout the year. Everybody wins! (Checks are the preferred form of payment. Please make checks out to Scholastic Book Clubs.)
